Clinical Papers:

Clinical papers are due as indicated by faculty. Only those papers submitted on or before the designated time will receive credit. Clinical assignments will be submitted as directed by clinical instructor. Students who do not submit the papers will not be permitted to participate in the succeeding clinical experience. The previous week's assignment must be received (although they will receive an Unsatisfactory or points deducted) for the student to be permitted to participate in succeeding practicum experiences. In this event, the student must recognize that they are at risk for not meeting course outcomes and expectations. Please refer to the clinical performance evaluation tool. **Your clinical paperwork must be turned in completed as directed by your clinical instructor. Keep all graded assignments for reference during the duration of the course. Your work will not be accepted if it is incomplete. The assignments will be returned to you and points will be deducted from your grade if your assignments are incomplete or late.**
